Before placing your order, please inform your server if a person in your party has a food allergy. While we have used reasonable efforts to prevent the introduction of the allergen of concern into the food we serve by carefully following preparation and handling procedures, we cannot guarantee that the allergens may not have been introduced during another stage of the food chain process, or involuntarily by us.

Thoroughly cooking food of animal origin, including but not limited to beef, eggs, fish, lamb, milk, poultry, or shell stock reduces the risk of foodborne illness. Young children, the elderly, and individuals with certain health conditions may be at a higher risk if these foods are consumed raw or undercooked.
